AMERICAN BEAUTIES.

There are none fairer or sweeter the world over. Unfettered and untrammelled the American woman queens it as does no other woman in the world. Yet her very energy and ambition are often times her undoing. She attempts too much. Her health is undermined. And when health goes beauty goes also. The use of Dr. Pierce's Golden Medical Discovery re-establishes the health. It cures diseases of the stomach and organs of digestion and nutrition and assures perfect assimilation of food and the proper nourishment of the body. It increases the blood supply and eliminates the impurities that clog the system and cloud the complexion.

Mrs. Mary E. Lewis, of Tanner, Gilmer Co., W. Va., writes: "Dr. Pierce's Golden Medical Discovery, 'Favorite Prescription' and 'Pleasant Pellets' cured me when doctors and other medicines failed. For fifteen years I suffered untold misery. I had given up all hope of ever getting well. I could not lie down to sleep, and everything I ate would almost cramp me to death. Was very nervous and could hardly walk across the room. I only weighed ninety pounds when I commenced taking these medicines six years ago. I now weigh one hundred and forty pounds and am having better health than ever before. After being sick so long I have changed to be robust and happy. I have taken fifteen bottles each of 'Prescription,' 'Discovery' and 'Pellets.'"

Dr. Pierce's Pleasant Pellets act gently but effectively. Women value them.

THE SEMINARY.

In the spring of 1875 the then rector of Christ Church, Alexandria, Rev. Randolph H. McKim, visited New York and Philadelphia, at the request of the trustees of the Virginia Seminary, and secured contributions for the same to the amount of about twenty thousand dollars. Of this amount, ten thousand dollars was the gift of Mr. Moncure Robinson, of Philadelphia—a subscription made largely out of regard for the memory of Dr. McKim's grandfather, Randolph Harrison, of Clifton, Va.

Mr. Robinson appointed three trustees to hold this fund—Dr. Randolph H. McKim and two of Mr. Robinson's sons. This trust has been recently terminated, and the corpus of the trust turned over to the trustees of the Seminary. It had grown in value from ten thousand to about thirty-five thousand dollars. The trustees passed the following resolution: Whereas the Board of Trustees have heard with pleasure the final report of the committee concerning the endowment fund of one hundred shares of stock of the Richmond, Fredericksburg and Potomac Railroad Company, the generous gift of the late Moncure Robinson to the trustees, and now desiring to acknowledge and place on record our sense of obligation to one who has rendered most faithful and efficient services to the Seminary in that matter, as is so many others of vital interest to its welfare; therefore,

Resolved, That the Board of Trustees hereby tender to the Rev. Dr. Randolph H. McKim, our sincere thanks for his services on behalf of this board in his faithful and judicious management of the interests committed to his care under the legacy of the late Moncure Robinson and for his unwavering devotion to the Protestant Episcopal Theological Seminary and High School in Virginia.

That a copy of this resolution be sent by the secretary to the Rev. Dr. R. H. McKim as recorded.—[Southern Churchman.]

COLONEL LAMB IS WRITING HISTORY.

Colonel William Lamb, of Norfolk, is in Washington. Colonel Lamb, at one time one of the foremost republican leaders in Virginia, has withdrawn from active participation in Virginia politics, and is now devoting himself almost exclusively to his great colonial work, and taken keen delight in all the literature that relates to the early history of his State. At this moment Colonel Lamb is preparing an address to be delivered next fall on the occasion of the presentation to William and Mary College, at Williamsburg, of a bronze commemorative tablet by the Colonial Dames of Virginia. Colonel Lamb is a member of the board of trustees of the historic institution, and as soon as permission was granted to the ladies to present the tablet, he was asked by them to deliver the address of the occasion.

William and Mary, next to Harvard, is the oldest college in the United States. Indeed, the college of Henrico had been established as early as 1619, but Thorpe and all the professors of the college were massacred by the Indians in 1622, and before the project of a college was taken up again in Virginia, John Harvard had left the modest sum with which that great university was founded. But in 1693 a charter was obtained from England. The first building was designed by Sir Christopher Wren, and although it was destroyed by fire in 1705, it was in 1776 the richest college in America. Mr. George Washington received his appointment as surveyor from William and Mary under a curious clause in the charter by virtue of which it was empowered to appoint surveyors. From 1785 to 1799 he was chancellor of the college.

Colonel Lamb's address will be devoted to the historical associations connected with the venerable school and an interesting and scholarly paper may be expected from him.
